**Subject:** Notice of Overtopping Washington Aqueduct Second High Reservoir (outfall 008, NPDES Permit DC0000019).  
[Washington Aqueduct Notice of Overtopping of Second High Reservoir December 2016.pdf](#)

The attached letter describes the conditions under which drinking water entered outfall 008 on Washington Aqueduct's NPDES Permit, DC 0000019 dated November 20, 2008, and is being submitted in accordance with notification requirements in the permit. Our application for a follow-on permit to this one was submitted according to the provisions of Part II, Section D. 9. That application is pending.

We will send a paper copy of the attached notification to each recipient by US Mail on 20 Dec 2016.

I may be reached at 202-764-0031.

Thank you.

Tom Jacobus
